FREE SPINS BONUS GAME THE WILD ESCAPE

RUNNING WILDS

During Free Spins, brothers drop one at a time on reel 5, releasing Running Wilds. Running Wilds move one reel per spin, from right to left, replacing all symbols except Cpt Diaz or Senorita. When all brothers have escaped, the bonus game finishes.

CPT DÍAZ
The Cpt Diaz symbol brings out keys and immediately imprisons any Running Wild brother. If all brothers end up in jail, the bonus game ends.

SENORITA
The Senorita symbol restarts Running Wild brothers, granting new Free Spins. She also has a set of keys to release imprisoned brothers.
